

# The Big Cheese Entertainment Programme 2019

## Living History Village – Caerphilly Castle

### The Vikings – Blaeddau Du

Be transported to c950 when the hiberno Norse Vikings who fought for the Welsh King in South Wales were settled in our land. Be enthralled by live combat displays as well as living history displays, cooks and many different crafts from the period, all 100% authentic.

**The Freeman of Gwent** portray the period 1350- 1420 when King Edward III was monarch. Wander through the middle age encampment and see life as it was in the late 14th and early 15th Century.

**Kitch n Synch** are all things vintage, retro and wonderfully absurd! This vibrant dance theatre fuse different dance genres with unusual dance props and get the audience involved! They are truly infectious, quirky and entertaining walkabout performers.
